## BASKETBALL UNIFORMS - TEAM ORDERS

Sublimation is a fabric printing process in which dyes are injected into the fabric before the garment is assembled creating a truly unique and custom garment. The ink becomes part of the fibers within the fabric meaning the design stretches along with the garment. There is no cracking or fading over time, numbers will never peel off, and the garment is able to maintain its full moisture wicking properties.
Playball in association with the MA-Sports Australia offers Custom made

| Singlet \& Shorts | $\$ 77.00$ | Top only | $\$ 47.00$ |
