

## AMOUNTS OUTSTANDING INCUR 7% FEE

For each Playball Term, one week after the Fee Due Date (as advertised), an additional 7% will be charged on outstanding balances.

### REASON:

Commencing 2015, MSAC is changing the way they invoice. Monthly Court Hire Fees to Playball are now due 60 days earlier than in 2014 - *now payable 15 days prior to the month to be used*. **Court rental** is also increasing outside CPI rises. 9% increase in 2015 and another 9% in 2016.

Implementing this late-fee will negate having to charge all Playball Teams a separate registration fee prior to the commencement of the season.

### HOW IT WILL APPLY:

The **outstanding balance** after the advertised late-fee date will have 7% added to the account. Team Managers will be emailed the new total outstanding.
